

AGAR Advisory

ADVISORY NO. 107

USDA Procurement Advisory Established

1. SUMMARY

The purpose of this Advisory is to announce that Office of Procurement and Property Management (OPPM) will discontinue use of AGAR Advisories and replace them with a new series designated as USDA Procurement Advisories.

2. BACKGROUND

The Agriculture Acquisition Regulation (AGAR) authorizes the USDA Senior Procurement Executive (SPE) to issue and publish regulations that constitute Department-wide policies and procedures, solicitation provisions and contract clauses governing the contracting process.

The SPE is also responsible for review and issuance of unpublished, Department-wide internal guidance under the AGAR System. One series of procurement guidance documents, AGAR Advisories, is now being replaced by USDA Procurement Advisories.
